PROFESSIONAL EXPERIENCE

- IT Administrator**

2026 – Present
- Virtual Freelancer Asia · Full-time*
 - Own GoHighLevel CRM administration and automation workflows end-to-end, including recruitment funnels and landing pages.
 - Administer Google Workspace (user provisioning, security policies, shared drives) for the organization.
 - Develop CRM automations and business workflows that streamline HR and recruitment operations.
 - Provide IT administration and technical support to cross-functional remote teams.
- Database Administrator / CRM Administrator**

2024 – 2026
- Vimenture LLC · Full-time*
 - Served as sole Microsoft Dynamics 365 Sales administrator — configured CRM entities, custom fields, views, and opportunity pipelines from scratch.
 - Led large-scale data cleanup and duplicate detection initiatives, significantly improving CRM data integrity for Sales and Marketing teams.
 - Managed lead imports from Apollo.io via Excel/Google Sheets, standardizing ingestion processes and reducing manual errors.
 - Built Power Automate workflows to automate key business processes across Dynamics 365 and Dataverse.
 - Partnered with stakeholders to translate business requirements into CRM configuration changes; self-trained on Dynamics 365 via Microsoft Learn (Level 8, 34 badges).
- Technical Virtual Assistant**

2024 – 2026
- Algorithmics · Part-time*
 - Administered LMS platform and provided CRM support to maintain smooth course and technical operations.
 - Troubleshoot platform and application issues, collaborating with international remote teams.
- Technical Support Engineer**

2022 – 2024
- ACLT Computing Inc. · Full-time*
 - Administered SQL Server databases — optimized queries and stored procedures for enterprise clients.
 - Managed Windows server infrastructure and resolved application and database incidents within SLA.
- Computer Programmer**

2019 – 2021
- Arktech Philippines Inc. · Full-time*
 - Developed web applications in PHP with MySQL backends; built frontend interfaces using HTML, CSS, Bootstrap, and JavaScript.
 - Created reports and system enhancements; performed ongoing system maintenance.

Data Technician

Dec 2017 – Jan 2019

SPi Global · Full-time

- Processed and validated structured and unstructured data; maintained formatting and compliance standards.

Data Entry Clerk

Aug 2016 – Sep 2017

Global Link Inc. · Full-time

- Maintained high-volume business data, performed QA, and corrected data inconsistencies.

EDUCATION

Bachelor of Science in Computer Science

2012 – 2017

Batangas State University – JPLPC Malvar Campus

CONTINUOUS LEARNING

Microsoft Learn: Level 8 · 34 Badges · 7 Trophies | **Currently studying:** CRM Automation · AI-assisted Workflows · GoHighLevel · Airtable · Coda · Power Automate · Dataverse · Business Process Automation
